**Calgary Fort Constituency**

January 16, 2015

Mrs. Marg Pollon  
Executive Director  
BRIDGES OF LOVE MINISTRY  
204- 6A Street NE  
Calgary, AB T2E RA5

Dear Marg;

As a recent Graduate of your CERT Program I have attended all your Bridges of Love Cert courses so far and have been very impressed with the training for community members. I was involved in helping the East Village Community following the Calgary Flood and it would have been very helpful to have this training beforehand. The trainers were all very knowledgeable and delivered interesting lectures as well as practical hands on experience.

I am most impressed with the communities going one step further and creating Community Emergency Plans. It would also be helpful if the communities involved so far work together on an Emergency Plan Template for Calgary Communities so that if there is another emergency in Calgary in the future there would be a document for them to follow.

Thank you for all your efforts in organizing this wonderful training series.

Sincerely,

Sandra Wilson Constituency Assistant to  
Wayne Cao, MLA - Calgary Fort Constituency
