

WE ARE THANKFUL FOR:

- Health and strength for continued service.
- Alberta's Civil Society Fund allowing Bridges of Love to hire the expertise needed to move forward.
- The success of our first CERT Summit in February.
- TJ, our new 3rd year honors computer science student intern, who will be with us for the summer.
- Our High River office and training centre which has served us well.
- Invitation to participate in Okotoks Emergency Preparedness Week activity on May 13, 2023.
- 2nd Installment for CSF grant.
- A counter-top dishwasher to sanitize day-to-day dishes and for events!
- High River church renewed FEPI partnership. 😊
- CSF grant mandate from Provincial to Regional allows for a more concentrated and specific focus from Lacombe to Vulcan County.
- Thankful to Judy for co-teaching the CERT Train-the-Trainer event for the end of May.

WE WOULD APPRECIATE YOUR PRAYER SUPPORT FOR:

- God's choice for our Public Relations & ED Assistant to be forth-coming as soon as possible.
- Wisdom and mentoring skills so it will be a great experience for our new summer student who starts May 1 and will be with us until the end of August.
- Support from the local churches in the county's we have targeted for our second-year grant project.
- Doors to open in those regions where we can impact communities to be better prepared and CERT trained.
- A financial base that can be cultivated over the next year so we will have a solid foundation when our grant is completed the end of May, 2024.
- Future instructors to be identified for our CERT T-T-T event the end of May.
- The next CERT Summit.
- Please pray for High River leaders, that they will have a change of heart to support BofL's activities, building trust with our municipal emergency and town leaders.
- For a good turn-out for our Open House Emergency Preparedness Week activity, May 6.
- "Crosswalk" a FEPI extension – an opportunity for the churches to serve their neighbours.

Thank you for your prayers~
