

WHEN DISASTER STRIKES!

- **BEE COORDINATED**
- **BEE EQUIPPED**
- **BEE READY**
- **BEE TRAINED**

**CERT TEAMS LOVE
BEE...ING PREPARED!**

Community Emergency Response Team (CERT) training is a grassroots strategy that is both practical and realistic, strengthening community safety and preparedness through civic participation. When disaster strikes, civil society is often first in line to offer a hand supporting family and their community. CERT training enhances capacity providing immediate disaster assistance, bridging the critical gap between the time of disaster and the arrival of emergency services.
